Allowable Subject Matter

1. Claims 25, 26, and 37-46 are allowed.
2. The following is an examiner's statement of reasons for allowance: The prior art of record does not disclose controlling a third transmission based on the gear or state of first and second transmission. The closest prior art discloses multiple transmissions that can all be controlled according to one "master" transmission state but not that transmission takes into account the state of two other transmissions to determine its own desired state.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Brian J. Broadhead whose telephone number is 571-272-6957. The examiner can normally be reached on Monday through Friday.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Thomas Black can be reached on 571-272-6956. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
